Waikiki Beach Maintenance Project Begins with A Blessing

(HONOLULU) – The multi-million dollar effort to restore sand to Waikīkī Beach has begun. This morning Kahu Kordell Kekoa joined project principals for a traditional Hawaiian blessing.

Mobilization of heavy equipment began last week and soon hydraulic dredging and pumping of as much as 20,000 cubic yards of marine sand about a ½ mile offshore begins. The Waikīkī Beach Maintenance Project is intended to restore and maintain the beach between the Kūhiō Beach Ewa Groin and the Royal Hawaiian Beach areas.

The project is a public-private partnership with DLNR and the Waikīkī Beach Special Improvement District which is providing \$1 million of the \$3-4 million estimated total project cost. The project will result in certain beach areas being closed or restricted and is expected to be complete sometime in May.

February 1st was a landmark day for Centennial Park Waikīkī — it's open and it's beautiful! Mayor Rick Blangiardi was most gracious in accepting the park on behalf of the City and County of Honolulu. Congratulations to the hard-working volunteers on the Rotary Centennial Park Committee. We also want to congratulate the many volunteers who put it all together with their hands-on labor in the park, and the many generous donors, community supporters and neighbors who believed in the vision that has brought the park to this milestone moment.

Park hours are 6:00 a.m. to 7:00 p.m. daily. The Seaside and Royal Hawaiian Avenue gates are open. Take a walk around the park, and let's safely enjoy and protect our new green oasis in Waikīkī. The landscaping includes a wide variety of plant life ranging from Monkeypod and various palm trees, to smaller plants like pōhinhina, ti, ginger, and spider lilies (now blooming), surrounding a lush lawn of St. Augustine grass. Contact the City & County Parks Department at (808) 768-3003 from 7:45 a.m. until 4:30 p.m. or parks@honolulu.gov for questions and concerns about the Park.

Next steps: The fundraising continues for Phase 2, which includes installation of seating, a surrounding rock wall, decorative fencing, gates and more. Visit www.centennialparkwaikiki.org and click DONATE to make a contribution. Click VOLUNTEER or GET INVOLVED to volunteer. Mahalo for your continued support!
